

Our aim is to provide support and education for parents and parenthood. Empowering parents to make informed choices through knowledge and mutual support and to progress fulfilled through all stages of parenthood, from pregnancy to raising children to adulthood. This is offered via childbirth education, postnatal support, breastfeeding support and at local meets and events.

Cuidiú national team is working to prepare guidelines for the safe return of in-person meetings. While we await, online meetups are still taking place.

During these times, our Breastfeeding Counsellors and Parent2Parent Supporters are available by phone for a chat. Please feel free to call for support at any time. Contact details are below. We look forward to seeing you all at some of our online events!
